

Embrace[®] TALK

Blood Glucose Monitor

The Meter that Says it All

The **Embrace[®] TALK[™] Blood Glucose Meter** talks users through testing, step-by-step. With accurate results in as little as six seconds, this meter is designed to work easily and effectively – and take as little time as possible out of your day.

FDA compliant and meets ISO 15197:2013 guidelines for accuracy. The Embrace[®]TALK[™] exceeded expectations in clinical studies, achieving high ratings for accuracy and dependability.
